**313.583. 1. An application to receive a license constitutes a request for a determination of the applicant's general character, integrity, and suitability for licensure. Such determination shall be made by the commission after due investigation of the applicant. The applicant for such license shall file with its application an application fee of fifty thousand dollars. If the cost of the commission's investigation exceeds the total amount of the fee paid by the applicant pursuant to this section, the commission may assess additional fees as it deems appropriate; however, if the applicant is denied a license, the applicant shall be entitled to a refund of the difference between the application fee and the actual costs of the investigation.**

**2. Applications for a license shall be made, processed, and determined using such forms as the commission may require. **(1) Twenty days of live racing in this state within eighteen months following licensure;**

**(2) Thirty days of live racing in this state during the next twelve-month period; and**

**(3) Fifty days of live racing in this state during each twelve-month period thereafter.**

**The commission shall only have authority to waive, suspend, or modify the provisions of this section in the event that circumstances beyond the control of the applicant or licensee**

13 prevent the applicant or licensee from complying with such requirements.

14       2. In the event that a licensee does not make a capital investment or own and  
15 operate a live racetrack that conducts the minimum number of days of live racing in  
16 Missouri as set forth in subsection 1 of this section, the commission shall restrict, revoke,  
17 suspend, or place on probation the licensee's right to operate until the licensee adequately

19       3. The commission shall not issue a license to any applicant unless the applicant  
20 establishes by clear and convincing evidence that it will timely arrange for the capital  
21 investment in its race meeting grounds as set forth in subsection 1 of this section so as to  
22 demonstrate a significant financial commitment to the host community.

23       4. The commission shall not issue a license to any applicant except upon the express  
24 condition and representation that the licensee shall not, by any lease, contract,  
25 understanding or arrangement of whatever kind or nature, grant, assign, transfer or turn

31 to receive a simulcast from such racetrack; or

32       (2) The licensee from paying a percentage of the amounts wagered at its race  
33 grounds to an individual, corporation, partnership, or other entity as compensation for the

21 **system.**

          313.590. A [racetrack licensed under section 313.580] **licensee** shall post a bond  
2 payable to the state of Missouri, before the license is issued, in an amount set by the commission,  
3 with sureties to be approved by the commission. The bond shall be used to guarantee that the  
4 licensee **satisfies its obligation to maintain all facilities for which it is licensed**, faithfully  
5 makes the payments, keeps its books and records and makes reports, and conducts its racing **and**  
6 **wagering** activity in conformity with sections 313.500 to [313.710] **313.720** and the rules  
7 adopted by the commission. The bond shall not be canceled or assigned by a surety on less than  
8 thirty days' notice in writing to the commission. If a bond is canceled and the licensee fails to  
9 file a new bond with the commission in the required amount on or before the effective date of  
10 cancellation, the licensee's license shall be revoked. The total and aggregate liability of the  
11 surety on the bond is limited to the amount specified in the bond.

2 a horse race meeting,] No officer or director of [such organization] **a licensee**, or person [who  
3 will thereby] **proposed to** become [the owner or holder, directly or indirectly, of five percent or  
4 more of the shares of stock or certificates or other evidence of ownership] **a stockholder** in such  
5 [organization] **licensee**, may become [the owner or holder, directly or indirectly, of any such  
6 shares of stock or certificates or other evidence of ownership] **a stockholder** without first having  
7 obtained the approval of the commission. The commission may, after hearing, revoke or suspend  
8 a [racetrack] license granted to any [organization] **licensee** which shall register on its books in  
9 the name of any such officer, director, or person its share of stock or certificate or other evidence  
10 of ownership of any interest in the organization without the prior approval of the commission  
11 or which shall knowingly permit any such officer, director, or person to be directly or indirectly  
12 interested in its share of stock or certificates or other evidences of ownership of any interest in  
13 the organization without reporting the same to the commission or which violates any rules or  
14 regulations of the commission.

15           2. Whenever the commission shall give to any officer or director of any [organization]  
16 **licensee**, or person [who will thereby] **proposed to** become [the owner or holder, directly or  
17 indirectly, of five percent or more of the shares of stock or certificates or other evidences of

21 organization of such approval. Under no circumstances shall the commission give such approval  
22 to any such officer, director or person who has been convicted of or is under an indictment for  
23 a crime involving moral turpitude [or has violated any provisions of the racing law of any state  
24 or any rules or regulations of the commission of any state] **or a felony**.

25 3. The commission shall require all licensees, including any officers and stockholders  
26 thereof, to disclose fully to the commission all financial interests that they may have in horse  
27 racing **that are deemed relevant by the commission**.

28 4. The commission shall require each licensee [under] **pursuant to** this section to  
29 maintain records [of owners of stock of the licensee so that the names of all persons, including  
30 corporations, trusts, estates, and partnerships, who are the beneficial owners of the stock are  
31 disclosed] **its stockholders**, regardless of the manner in which, or whether, the ownership  
32 interest is stated or registered on the stock of the licensee. **For purposes of determining**  
33 **stockholders**, beneficial ownership includes, but is not limited to record ownership and:

37 (2) Any interest which entitles a person to benefits substantially equivalent to ownership  
38 by reason of any contract, understanding, relationship, agreement, or other arrangement, even  
39 though the person is not the record owner. Unless there are special circumstances, securities held  
40 by an individual's spouse or relatives, including children, living in the home, are beneficially  
41 owned by the individual.

42 5. In addition to any other action which is necessary to obtain disclosure of [beneficial  
43 ownership of stock] **stockholders**, the commission shall require each licensee, at least once  
44 every calendar year, to obtain, pursuant to written notice to the [record owners of all stock]  
45 **stockholders** of the licensee, an affidavit from each [record owner owning two percent or more]  
46 **stockholder**, sworn to under the penalty of perjury, stating to the best of the affiant's knowledge,

49 any kind in the stock held in the name of the affiant;

50 (2) The name and address of the other person; and

51 (3) The amount and nature of the ownership.

52 6. If the licensee receives information indicating that a person other than the record  
53 owner has a beneficial ownership interest in stock of the licensee, the licensee shall request  
54 promptly by written notice to the other person, that this person submit to the licensee within sixty

55 days from the date of the notice an affidavit, sworn to under the penalty of perjury, stating to the  
56 best of the affiant's knowledge, information and belief:

67 section to the commission annually and at the other times required by the commission. Any  
68 change in the [record ownership or beneficial ownership of stock] **stockholders** of any licensee  
69 shall be reported promptly to the commission. Upon the failure of any licensee to maintain and  
70 report records of ownership of stock, as required by this subsection, or the failure of any licensee  
71 to make a reasonable effort to obtain the affidavits required by this subsection, the commission  
72 shall suspend or revoke the license of the track for a period determined by the commission.

73 9. All statements required to be filed with the commission shall be filed under oath and
